#### MEN'S MEETING

Next Wednesday Night at the Third Street M. E. Church

One week from last evening, Wednesday, February 15th, will occur the big Men's Meeting at the Third Street M. E. Church.

One hundred invitations will be sent out and every man in any way connected with this Church is requested to set aside anything that will hinder their attendance at this rally. Begin planning now. It will be to your interest to do so. Several local speakers will give short talks and Colonel John A. Johnson of Covington, President of the Laymen's Association of the Kentucky Conference, M. E. Church, will be present and deliver an address. Colonel Johnson is a prominent business man, as well as a leading Church worker, being connected with the Union M. E. Church, of which Rev. G. W. Banton, formerly Pastor of the Third Street M. E. Church, is now Pastor. He is actively engaged with the Laymen in bringing about better conditions in the Churches of Kentucky. No one interested in the welfare of the Methodist Church should miss becoming acquainted with and hearing him.

It will be a Men's Meeting throughout, even to the serving of refreshments, several men having volunteered to make the coffee and do the kitchen work. Let every one invited come.

## SAMPLE LINENS

Still a good assortment in spite of the past day's heavy selling, so generously have we provided these linen pieces for which housewives find such countless uses.  
Red Damask Samples, small size, 10c dozen.  
Bleached and unbleached Damask Samples, according to size, 1c to 5c.

### One of Many Bargains

While arranging stock for our Linen Sale we discovered a choice lot of pretty Sprachtel pieces that are a little soiled. All they need is a trip to the laundry to renew their freshness and in cutting the price we give you a great deal more than the trip will cost. As we want to "clean out" the lot at once we have cut prices exactly in half.

50c Scarfs and Stand Covers Now 25c.

### Mexican Drawn-Work

Priced One-Quarter Below Value.

A beautiful collection of drawn-work Scarfs, Center Pieces, Luncheon Cloths and Stand Covers. Because they are slightly soiled

from use in store decoration we have set new prices on them that are fully one-fourth, often one-third, less than the real values. We can't give details because there are so few pieces at each price but the entire lot is big enough to make choosing satisfactory and interesting.

### A Towel Bargain

We secured from a manufacturer his entire output for a firm that failed in business before the towels were delivered. Because the name of this firm is woven in the border of the towels the lot was sold at a great concession. Don't miss the chance to secure for 12½c, buck towels that are worth a half more.

MRS. THOMAS J. WINTER

Long an Invalid, Passes Away—Husband Ill at Hot Springs

THE LEDGER contained a brief notice of the demise of this venerable and excellent lady at her home in Court street yesterday morning at 9 o'clock of heart trouble and general debility, aged 72.

Deceased was a daughter of Mr. and Mrs. Frances Pollock, and was born at Germantown July 5th, 1839.

She was twice married, her first husband being Henry Reed, brother of the late Dr. J. A. Reed, whose death occurred some years after their marriage. In 1865 she was married to her surviving husband, Thomas J. Winter, who was a patient at Hot Springs at the time of her death, and from which place she had only returned a few days since.

Mrs. Winter was an exemplary member of the Christian Church at Germantown. She was a devoted wife and a benevolent Christian woman, whose death will be sincerely mourned by a wide circle of relatives and friends.

She is survived by her husband and one brother, Mr. Ostrander Pollock of Illinois.

Funeral arrangements have not been completed and will be announced later.

CUPID'S CAPERS

Double Elopement of Young People to Hymen's Altar at West Union—Old Man Fooled Again

The conspiracy between Cupid and Hymen continues to pay its nefarious practice and in these lightning nuptial deals, the head of the house, commonly known as "the old man," always holds the bag, pays the freight and is ready with a pardon in his pocket and a "Welcome, my children," just after the trouble has been done, and then everybody gets happy some more, and all is well.

Last Monday Misses Sadie and Effie Frogge, said to be very young, but handsome daughters of Farmer Frogge of Mason county, came to Mayeville with their father, ostensibly to do some shopping, but it seems that both girls heard a noise like wedding bells. As the parties got ready to return home in the afternoon, the youngest daughter, Miss Effie, told her father that she had left a package in one of the stores and she would go after it.

Here's where the elopement started. Instead of getting a "lost package," Effie found her sweetheart, young Mr. Robert Curtis of this county, while her sister, Miss Sadie Frogge, as by previous arrangement, hooked on to her young fellow, Mr. William Phillips of Mayeville. Hastily hieing themselves to Aberdeen, where a rig was procured and a rapid drive made to West Union, Adams county, Ohio, the nuptial knot was quickly tied by Rev. G. W. Mathewson of the M. E. Church, the ceremony being performed at night after the young people had procured the necessary license by swearing that they were of the proper age, although one of the girls wore very short dresses.

A telephone message this morning at 8 o'clock from a reputable party conveyed THE LEDGER the above particulars of the double-action event.

Insulted.

"And you get angry because he asked you to loan him a hundred?" "Not because he asked me to loan him the hundred, but because he thought I might be such an idiot."

WHAT IS VINOL?

It Represents Twenty Years' Work of Two Eminent Chemists

After twenty years of study two eminent French chemists discovered a method by which the alkaloids or medicinal elements of the cod's liver might be separated from the useless oil or grease, retaining all the good of cod liver oil and dispensed with the bad, as the oil has no medicinal value. These medicinal elements blended with tonic iron and a mild medicinal wine—make Vinol.

Vinol is not a secret medicine, as its ingredients are printed on every bottle, and in all cases where the healing, strengthening influence of cod liver oil is needed, Vinol will give better results, for it contains all the curative medicinal properties of cod liver oil, but without the oil, and it is easily assimilated and acceptable to the weakest stomach.

For all run-down, weakened conditions, and to cure chronic coughs, colds and bronchial troubles, Vinol is unexcelled. We sell it always with the understanding that if it does not do all we claim for it, we will refund the money paid us for it. John C. Pecor, Drugist, Mayeville, Ky.

The drills lost by the C. and O. Railway Company have never come, but The Ohio Valley Oil and Gas Company this time took no chances and ordered new drills from Pittsburgh, which were shipped by river and delivered yesterday at Augusta. They will shortly be hauled by wagons to Brooksville.

In the meanwhile, the Company is short on coal, owing to the delay of the C. and O. Railway Company in carrying it from the mines; but it is believed that a sufficient amount can be gotten elsewhere to enable drilling to commence within a mile of Brooksville in a few days.

"PRIMARY MEANS SUICIDE"

To Democratic Party in Kentucky, Says Former Congressman Ellis

"The policy pursued by those who control the affairs of our party seem suicidal, and unless they listen to the warning voice of the people, I doubt seriously whether our party, with all its majority in this State, can elect its State ticket next November." This was the statement of Captain W. T. Ellis, former Congressman from the Second Congressional District, a Democrat, who has grown old in fighting the battle of his party, in commenting on the withdrawal of Ben Johnson from the gubernatorial race, of Owensboro.

"It was a manly, courageous and patriotic statement of Mr. Johnson for the political situation which seems to confront him. I think his summary of the situation justified this fact. B. P. Johnson would make one of the finest Governors Kentucky ever had since the days of Isaac Shelby.

"The only thing, in my opinion, that remains for the Democratic party this year to do, if it really, earnestly desires to reap a victory in November, is to call off this primary and give the Democrats of the State opportunity to meet in an old-fashioned Convention and select some man who can lead the party to victory in November."

Captain Ellis was one of the Election Commissioners in the memorable Goebel-Taylor contest. The Democrats of the Second District are urging Congressman A. O. Stanley to enter the race for Governor.

SPRINGDALE.

Miss Brown returned to Cincinnati Wednesday, after a ten days' service at the home of Mr. and Mrs. James Alton. Nothing was left undone that could be done to save the precious life. All was unavailing, however, and little Josephine "went Home" on Tuesday last. Interment on Thursday at Bethany Cemetery. Funeral services by Elder T. P. Degman.

Mrs. C. C. Degman and granddaughter, Miss Lou Martin, are at home, after a week's visit to Mrs. James Maxwell of Portsmouth. Mrs. Degman speaks highly of the great evangelistic work now being done by Billy Sunday and his corps of Christian workers. The Pastors of all the Churches and the Christian people generally are engaged in this great work. The Churches are being strengthened and have opportunities for good that rarely are God-given. On Monday night, as Mr. Sunday was in Columbus, all the Churches held services for the purpose of receiving into fellowship those who had "come forward" in the Tabernacle. Mrs. Degman attended services in the First Christian Church and saw over thirty young people present their "certificate of preference" and receive baptism by immersion.

## A Good Thing

FOR BOTH OF US.

You get some good out of our Clearance Sale. You get unusually good merchandise at an unusually low price. But the benefit isn't all yours; we get something out of it besides the small price you pay us for the big values we give you; we get our stock cleaned up, and, better than all else, we make a lot of good friends by it. The eight lots of Suits for men we have had on sale for the past two weeks have been greatly reduced in number, so we have decided to reduce what is left in price. We are selling them below cost. We have only six left, running from \$3 to \$10. We also have some of 1910 fall and winter goods left. They are the Hart, Schaffner & Marx Brand and Quality and they are mighty low in price.

Don't forget that you can get the best Shoes sold here. We have everything a man wears, and everything must be satisfactory that you get from
